

Video Transcript (English)

Interrogator: Talk! Where did you hide the flash drive?

Spy: You will never find it.

Interrogator: I don't believe so. Tear this place apart!

Janitor (with a strong dialectic accent): Glass bottles are not supposed to be put in a food waste bin! So dangerous if it broke to pieces! Is there still something inside? A flash drive is electronics and should be put in a recycle bin!

Don't forget sorting your rubbish
Or you would regret
